

Rituals that feel alive.

A presentation-ready UI, UX, and brand system for Routiq: a premium ritual-tracking product built around atmosphere, reflection, and visible growth.

POSITIONING

Habit tracking shaped as a living, editorial ritual system.

VISUAL LANGUAGE

Botanical, premium, atmospheric, layered, and typography-led.

EXPERIENCE GOAL

Make consistency feel cultivated rather than administrated.

DISPLAY SERIF

Fraunces

Used for hero titles, premium headings, and brand presence.

ACCENT SANS

SPACE GROTESK

Used for metadata, pills, labels, buttons, navigation, and chart annotations.

BODY SANS

Manrope is used for readable supporting copy, settings content, and detailed descriptions.

Readable first, styled second.

TAGLINE

Rituals that feel alive.

Other approved directions: Grow what you repeat. Build rhythm. Watch it bloom.

PREPARED FROM THE IMPLEMENTED ROUTIQ PRODUCT SYSTEM
